- To develop the Quality and Efficiency in Government Organizations by updating the training programmers consistently
- Research and Evaluation of Government Schemes in Rural and Tribal Development
- To provide consultancy on various areas relating to Public Administration and Computer Education to all the State Government Employees.

# ABOUT THE INSTITUTE

The State Institute of Public Administration and Rural Development (SIPARD) is a composite institute functioning both as the State Administrative Training Institute (ATI) and the State Institute of Rural Development (SIRD) for the state of Tripura.

The Institute is functioning as a registered Society called, 'Society for Training and Research on Public Administration and Rural Development'. It is a registered Autonomous Body and registered as a society under the Registration of Societies Act, 1860. The Institute is popularly known by the acronym 'The State Institute of Public Administration and Rural Development i.e SIPARD'.

Research on different Social and Environmental issues as well as consultancy services are different parts of its activities. The Institute was setup in the year 1987 with the name 'Administrative Training Institute' which was functioning as an Apex Training Institute of the state with the mandate to train the staff and officials of various levels of the State Government. In 1999 the institute was renamed as 'State Institute of Public Administration and Rural Development (SIPARD)'.

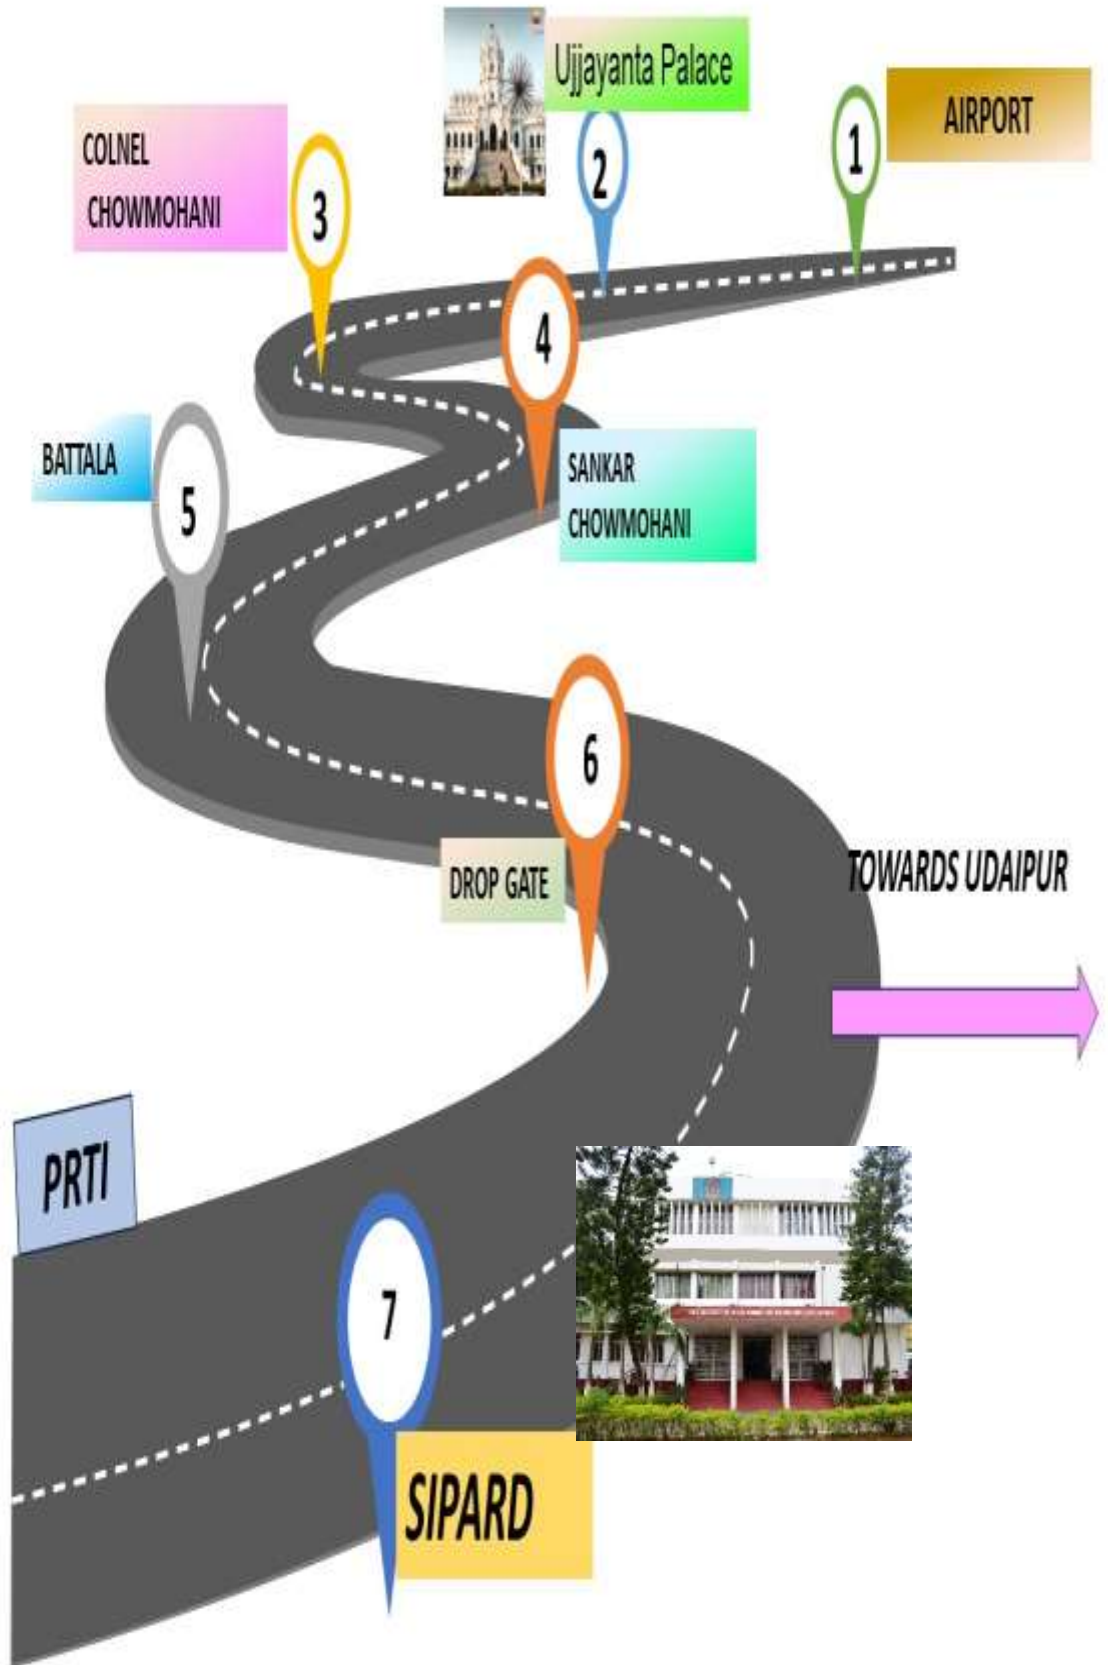

# LOCATION

The Institute is situated in a campus of 7.2 acres of land at Arundhuti Nagar (A.D.Nagar), Agartala. The locality in which it is located is called Camper Bazaar. The Post Office is Sarva Dharma Mission (S.D Mission) Post Office.

SIPARD is in an institutional area surrounded by the Panchayati Raj Training Institute (PRTI) of the Rural Development and Panchayat Department, Regional Survey and Training Institute (RSTI) of the Land Records and Settlement Department, Swavalamban and Rural Development Self Employment Training Institute (RUDSETI), under the Rural Development Department and Cooperative Training Institute, under the Cooperative Department.

SIPARD is only 5.3 Kms from the City Centre of Agartala, the state's capital. It is well Connected by Air and Rail. SIPARD is 14.1 Kms from the Maharaja Bir Bikram Kishore Manikya Bahadur (MBBKMB) Airport and 5.8 Kms from Agartala Railway Station.

# TRAINING PLAN OF SIPARD

## 1. Introduction:

The State Institute of Public Administration and Rural Development (SIPARD) is the Apex Training Institute of Government of Tripura for providing training to all government officials and other development functionaries of the State. The overall objective of the Institute is to attain “Training for All” employees of the State starting from the lowest and cutting-edge to the highest in policy making level. The Institute mostly organizes DoPT, MoRD and other Ministries of Govt. of India and State Government department sponsored training courses. The training achievement of last five years shows that SIPARD conducts around 200 Training Programmes per annum for 6000 Government Officials and other Functionaries. In the last two/three years the Institute has increased the coverage to around 10,000 participants per year.

As per mandate the Institute needs to organize training for at least 50-60 thousands participants per year to complete one cycle of training for the targeted population by 3 years. But, the present mode may take 17-18 years to train the entire target group. Therefore an effective training plan is required to increase the coverage.

## 2. The Need

Till a few years back, average coverage of the institute was only 3 % of the Government Officials and other Functionaries. In the last two years it has been increased to about 6-8 %. So, there is a need for six fold expansion of coverage to achieve the target of “Training for All” employees and functionaries.

## 3. Objectives:

The objectives of the training plan are –

- To train every employee at least once in three years.

- To increase the reach of SIPARD through decentralization of training at many locations.
- To develop adequate number of trainers.
- To develop training infrastructures

#### **4. Training Coverage:**

The total training coverage of the Institute shall be divided in three major sections –

- a) Government Employees of all categories
- b) Elected Representatives of Urban and Local Bodies
- c) Non-government key functionaries

#### **5. Training Target**

- Training of senior officers – strategy to be developed with Government guidance. Could include special sessions, out of state training etc
- For others, primarily within State but with special interventions
- For departments having own training Institutes, administrative type of training with standard governance module will be provided
- For all others, with the help of the department concerned, both technical and non technical training can be coordinated.

#### **6. Content:**

The course content shall be divided in two broad areas –

##### **a. Standard training module or Governance module:**

- ❖ Training focus on functional and motivational fronts
- ❖ Aim of training is to improve skill set (functional) and make employee a responsible citizen and responsible Government servant (Motivational)
- ❖ Standard Governance module developed for motivational and general skill set aspects
- ❖ Covers Shistachar, Etiquette, office management, office maintenance, public health & hygiene, waste management and day to day economics

- Session on departmental objectives and role of target groups in achieving the same – where feasible

#### b. Tailor made courses for departments

- In consultation with department
- Could cover other non Government key stakeholders
- Content etc to be finalised with departmental inputs
- Funding also expected from departments

### 7. **Mode of Training**

Training shall be imparted at SIAPRD or at the work places or decentralized basis at District, Sub-Divisional, Block/ Nagar Panchayat levels or by online mode.

### 8. **Roll out Strategy**

- Training profile of employees being built
- Priority to cover those not trained earlier
- Training Quality Improvement Measures Committee for each department
- Departmental and subject experts to help in identifying training Resource Person right up to sub divisional level
- Both Classroom (F2F) and online training to be conducted at State, District, Sub division, Block/ NP levels (about 150 locations)
- Training set up at these levels using local infrastructure of Internet and projecting facilities
- Multiday F2F training to be done only up to Sub divisional level

→ District level : Maximum 3days

→ Sub divisional level and Nagar Panchayat : Maximum two days

→ Block level : Single day

## **8.1 In campus Training Strategy:**

- Each in house faculty may organize 30-35 training programmes annually at SIPARD @ 3 training programmes per month.
- Training for all Group A and Group B officers must be conducted at SIPARD campus.
- Courses may be designed based on a training need analysis.

## **8.2 Outreach Training Strategy:**

- Nodal officers (training) at Department, District and Sub divisional level
- Nodal officers to help in TNA, identify trainees and coordinate with SIPARD
- Training Managers at Sub divisional, Block and Nagar Panchayat level
- Training Managers at all locations for logistic arrangements
- Coordinating arrangements at SIPARD- Nodal faculty for departments and Districts

## **8.3 Arrangements for Training Infrastructure**

- Utilization of existing logistic arrangements
  - The meeting room of the Department / District /SDM/ Block HQ
  - Utilization of available equipments like Smart TV/ or Projectors/ Screen, Sound System, internet connection
- Online training through Cisco WebEx.
- Exact requirements can be taken up on a case to case basis in consultation with the Training Nodal Officer and Nodal Faculty.

## **9. Monitoring and Evaluation of Training**

- Impact assessment of training through Research Wing
- Supervision of off campus training activities by Nodal Officer (Training)
